## OVERVIEW

Choose your own departure date for your group.

Explore New Zealand's stunning scenery, fascinating culture & be amazed by the contrasts of the North and South Islands on this journey through some of the world's most scenic landscapes!

New Zealand is well known as having some of the best scenery in the world! And what better way to explore it than by travelling from North to South!

Start in Auckland, the vibrant city atop North Island, before discovering the amazing natural landscapes of Rotorua. Stop for a wine tasting and see the local wildlife before heading along the scenic coastline to the capital, Wellington.

We sail across the Cook Strait to South Island where after exploring the local landscape and national parks, we board one of the world's most scenic trains - the spectacular Coastal Pacific line to Christchurch, passing beside the majestic Kaikoura Mountain range. And no trip to New Zealand would be complete without of course visiting Milford Sound or Queenstown, where the journey ends.

Join us as we explore New Zealand's highlights where we will also discover the sights, history and culture of the islands amongst some of the most outstanding natural backdrops in the world.
