OVERVIEW

Mar 01 - 08, 2026

Cruise the Galapagos Islands on a luxury class trimaran.

Our journey starts on San Cristóbal Island, one of the most fascinating and historically significant islands in the Galápagos archipelago. It's known for its stunning landscapes, rich biodiversity, and being home to Puerto Baquerizo Moreno, the capital of the Galápagos province.

For nature lovers there is the possibility of seeing penguins, albatrosses, hummingbirds, butterflies, pelicans, flamingos and a tortoise breeding centre.

For the adventurous there is a chance for snorkelling, zip-lining, dingy rides and climbing a volcano.

We shall also learn about Galapagos' volcanic origin, endemic species and unique climate with a visit to the Gianni Arismendy Interpretation Centre.

The Galapagos Horizon Trimaran is designed for comfort and stability and is outfitted with spacious cabins, a modern lounge and solarium with jacuzzi. www.galapagoshorizon-cruise.com Horizon has only 8 guest cabins, guaranteeing a relaxing and intimate exploration of the Galapagos Islands.

Charles Darwin was inspired to write 'On the origin of species' following his own trip to this region. How will our adventure inspire you?
