DAY 1 - WELCOME TO VIETNAM

Upon arrival, you will be met at Noi Bai Airport in Hanoi and transferred to your hotel for check-in.

Vietnam's capital, Hanoi, blends old-world charm with the dynamic bustle of modern Asia. Its French colonial past is evident in the elegant architecture and enchanting lakes, contrasting with the throng of thousands of motorbikes and the city's cosmopolitan restaurants and boutiques. To the north of central Hoan Kiem Lake lies the frenetic maze of narrow streets that make up the Old Quarter, while to the south, broad, tree-lined boulevards and majestic buildings define the French Quarter.

Spend the afternoon at leisure, allowing you to acclimatise to the energy and bustle of the city before meeting your Big Journey Company Tour Director. In the evening, join your fellow travellers for a welcome dinner, where you will have the opportunity to meet the group and learn more about the exciting journey ahead

Included meals: Welcome Dinner

Accommodation: Pan Pacific Hanoi (or similar)

DAY 2 - HANOI HERITAGE & HIDDEN STREETS

Today, we begin our full-day discovery of Hanoi with a visit to the sixth-century Tran Quoc Pagoda, beautifully situated on the shores of serene West Lake.

We then continue to the renowned Temple of Literature. Founded in 1076, Quoc Tu Giam, Vietnam's first university, was established within the temple grounds to educate the country's royalty, mandarins and members of the elite. Remarkably, the site continued to serve as a centre of learning for almost 800 years and remains an important symbol of Vietnam's rich intellectual and cultural heritage.

Next, we choose one of two fascinating museum experiences:

Vietnam Women's Museum

We explore the museum's engaging exhibitions, which showcase Vietnam's diverse cultural heritage and highlight the important roles and contributions of women throughout Vietnamese society.

Vietnam Museum of Ethnology

We discover Vietnam's rich cultural diversity through an extensive collection of exhibits showcasing the traditions, lifestyles and heritage of the country's 54 recognised ethnic groups. Please note: the museum is closed on Mondays.

Following our museum visit, we enjoy lunch at a local restaurant before continuing our exploration of Hanoi.

We then visit the iconic Ho Chi Minh Mausoleum Complex, an important site dedicated to the life and legacy of Vietnam's founding leader. We view the Mausoleum from outside before exploring the surrounding grounds and learning more about Ho Chi Minh's life.

We continue to the traditional 'House on Stilts', where 'Bac Ho' lived from 1958 to 1969, before strolling through the peaceful gardens and visiting the One Pillar Pagoda. Built in 1049, this distinctive pagoda is one of Hanoi's most recognisable landmarks and an enduring symbol of the city.

Later, we explore Hanoi's atmospheric Old Quarter on foot. We wander through its maze of narrow streets and discover the local way of life in the historic '36 guilds', each traditionally associated with a particular trade or craft.

Following our introduction to Hanoi's highlights, we return to our hotel.

Included meals: Breakfast & Lunch

Accommodation: Pan Pacific Hanoi (or similar)

DAY 3 - HALONG BAY CRUISE & KARST LANDSCAPES

Following breakfast, we leave Hanoi and journey towards Halong Bay, travelling through the scenic countryside towards Halong City.

On arrival at the pier, we complete our check-in formalities before stepping aboard our cruise. Once we have settled into our cabins, we enjoy

lunch as we begin cruising through the spectacular landscapes of Halong Bay.

As we sail deeper into the bay, we take part in a selection of activities and visits, depending on our boat's itinerary. Surrounded by towering limestone karsts and emerald waters, we have the opportunity to experience the beauty of this UNESCO-listed landscape from the water.

Later, we anchor for the evening among the dramatic karst formations. We enjoy the sunset from the deck before dinner and a relaxing evening on board, surrounded by the tranquil beauty of Halong Bay.

We explore the expansive grounds while hearing stories of the magnificent buildings and the emperors who once called them home, including Kien Trung Palace, the former residence of Vietnam's last emperors, which has been beautifully restored in recent years.

We then continue by cyclo to a tranquil lake where the Nguyen emperors once sought respite from the summer heat. From here, we visit a private museum showcasing a magnificent collection of royal possessions and artefacts, offering a fascinating insight into the lavish life of Vietnam's imperial court.

Next, we visit Thien Mu Pagoda, perhaps Hue's most iconic landmark, beautifully situated on the banks of the Perfume River. We take in the pagoda's peaceful surroundings and sweeping views while learning about its spiritual importance and the fascinating story behind the vintage vehicle on display.

We then pause to enjoy a delicious lunch inspired by the local flavours of Hue.

In the afternoon, we leave the city behind and travel through the picturesque outskirts of Hue to visit the tomb of Emperor Khai Dinh. Unlike the other royal tombs in Hue, this impressive complex combines traditional Vietnamese design with European influences, creating a unique and striking architectural style.

Following our visits, we continue our journey towards Hoi An, travelling by private, air-conditioned vehicle with our driver and guide.

This evening, we enjoy dinner at our hotel before settling in for the night.

DAY 6 - DISCOVERING THE CHARM OF HOI AN

Today, we discover the timeless charm of Hoi An, one of Vietnam's most picturesque and atmospheric towns.

We meet our local guide for an introduction to Hoi An, learning about its fascinating history as an important trading port. As we explore the town on foot, we admire its remarkably well-preserved traditional houses, many of which have withstood centuries of weather, trade and war.

We continue to the iconic Japanese Bridge, one of Hoi An's most recognisable landmarks. Built more than 400 years ago, the bridge once connected the Japanese community with the Chinese merchants living on the opposite side of the waterway. We admire its intricate carvings and paintings while learning more about their symbolism and cultural significance.

Next, we visit a Chinese communal hall, where colourful gates, ornate rooftops and intricate dragon statues create a striking setting. Here, we gain an insight into the traditions of ancestor worship as we visit the family altar and observe local devotees making offerings.

We then wander through Hoi An's smaller laneways and local neighbourhoods, discovering the quieter side of the town and gaining a deeper appreciation for its enduring charm.

Following our exploration, we return to the hotel, with the remainder of the afternoon at leisure to relax or continue discovering Hoi An at your own pace.

DAY 7 - VISITING MY SON

Today, we leave Hoi An behind and travel through the countryside to one of Central Vietnam's most fascinating cultural treasures, the ancient temple complex of My Son.

Granted UNESCO World Heritage status in 1999, My Son was once the spiritual and political centre of the Champa Kingdom, with its magnificent tower temples built between the 4th and 13th centuries.

We wander among the atmospheric ruins, learning about the Cham people, their rulers and the remarkable civilisation that once flourished here. As we explore the crumbling temples and intricate remains, we take a moment to soak up the peaceful surroundings and imagine My Son in its heyday.

Before leaving the site, we visit the small museum, where we discover more about the history and culture of the Cham era.

With our local guide, we explore the rugged grounds of Cu Chi and discover the extraordinary underground network of tunnels constructed by local residents during Vietnam's wars. We have the opportunity to crawl through sections of the tunnels, should we wish, and gain an insight into the tiny chambers and challenging conditions in which people once lived and worked.

Above ground, we discover some of the ingenious methods used to protect the tunnels, including bamboo traps and camouflaged pits, while learning more about the impact of the war on the local community and Vietnam as a whole.

Following our visit, we return to Ho Chi Minh City for lunch before continuing our exploration of the city.

We visit the Reunification Palace, one of Ho Chi Minh City's most significant landmarks. Preserved much as it was during the war, we explore its grand interiors and fascinating underground war rooms, gaining a deeper understanding of this pivotal period in Vietnam's history.

We then stroll through 30 April Park to the historic Central Post Office, while also catching a glimpse of the former CIA building, the site of one of the final helicopter evacuations from Saigon in 1975.

To finish our day, we step away from the usual tourist trail and settle into a traditional Vietnamese coffee shop. Here, we sample the local coffee culture and enjoy a moment to relax like the locals do.

Along the way, we make local stops to visit a traditional coconut candy workshop and a local bee farm, discovering some of the region's unique products and traditions.

We then return to the mainland and continue to Diem Phuong Restaurant, where we enjoy a traditional Vietnamese lunch featuring seven delicious courses, including the local speciality of Elephant-Ear fish, served with rice paper and fish sauce.
